LONG-TIME FARMER

Mr. August Beisert of between Lincoln and Loebau has been living in that section the past 58 years and prior to that time he lived at Serbin on a farm for four years after his marriage. He was 83 years young June 3 and gets about well for his age. He first came to Giddings in 1870 before the railroad reached Giddings, coming from Ledbetter in a wagon. He says things are all different now, even he can save money now because he will not pay auto license as his tires are all gone.
