

#### BAPTISM RECORDED

Three weeks ago Rev. and Mrs. Max Studtmann and sons Robt. and Kenneth motored to Port Arthur to attend the baptism of little Patricia Carol Kriegel, daughter of Mr. and Mrs. Leonard Kriegel, nee Margaret Studtmann. Others of here were Mr. and Mrs. K. Gus Kriegel, and Mr. and Mrs. Erwin Kriegel and family. Pastor Studtmann, grandfather of the little lady delivered the sermon and baptised his granddaughter. Mrs. Erwin Kriegel and Student Robt. Studtmann wer sponsors from Giddings.

Rev. Studtmann had the sound mirror along and recorded the baptism. Last Friday Mr. Orsæg recorded the baptism ceremony from the sound mirror on a record in his radio shop and the record was then played to Dr. and Mrs. H. Studtmann at Austin, great-grandparents of little Patricia Carol, who were unable to be at that service but through this means enjoyed it anyway.

This sound mirror is a great invention. It proves itself valuable in many ways in the Immanuel Lutheran Church. Pastor Studtmann is using it quite often to record sermons and then take them to shut-ins so they may hear the sermon as if they were present at the service.
