Mr. P. J. Alexander left for Smithville today, Friday, where he goes to locate and practice his profession, that as a lawyer. He will open his office in Smithville Saturday. Mrs. Alexander will join him as soon as arrangements can be made for them moving over there. Mr. Alexander was born and reared in Giddings where he has served the people of the county as teacher before taking up the practice of law after which he was elected as county attorney and held the office some two or more terms and then declined to make the race again. He feels that Smithville offers better opportunities for a lawyer, inas-much as there will only be two lawyers there when he locates, and it is said he and the other party will form a partnership. Mr. and Mrs. Alexander have many friends in Giddings and Lee County that regret to know they are leaving here but wish them every success in their new home.
