TWO IN ONE

Ernst Berger, Sr., celebrated his 87th birthday last Sunday at the home of his son-in-law and daughter Mr. and Mrs. Ernst Unger. There were 95 persons present and a dinner consisting of pork barbecue and other meats was served. At 11 o'clock Ernst Unger and wife were surprised by their friends who had come over to help them celebrate their silver wedding anniversary, so it became a double feast and a double celebration. Rev. Fischer spoke during the afternoon congratulating them on the birthday and wedding anniversaries. Songs were sung by the church choir. A prettily decorated cake by Walter Kappler was presented the wedded couple for the occasion.
