**BARBER SHOP CHANGES HANDS**

T. J. Miller of Beaumont purchased the Rethke Barber Shop Thursday and will take possession immediately. Mr. Miller's wife, two sons and two daughters will arrive here to join him very shortly. They have arranged for rooms in the Joekel house.

Mr. Miller seems very favorably impressed with our little city, saying that we have the cleanest little town in this entire portion of the state, and he feels sure that he shall be very much at home here.
