Dear Friends:
The date on the address label of the Giddings Star verifies that my subscription expires with this month. Enclosed you will find a check for the subscription price to cover the ensuing year.
Permit me to add a few remarks: I look forward to receive the Giddings Star. It is the only medium I have to inform me which people are still living in the home town and as to what they are doing from time to time.
I am now completing my ninth year as pastor of the Concordia Lutheran Church of Nashville. The congregation has an attractive property of church and parsonage, both of brick, in the better residential quarters of the city.
For the past five years I have also been active as an instructor at Vanderbilt University. At the same time I am working in the graduate school of the university towards securing the desired degree. At present I am acquiring a working knowledge in the Gothic language, which gives me the opportunity to translate the Gothic translation of the Bible by Ulfilas.
As pastor of the only Lutheran Church - Missouri Synod in this capitol city with the teaching activity at Vanderbilt we have a very active life. We enjoy it! Thanks to God who has given all by the grace in Christ Jesus.
Cordially yours,
Rev. G. H. Biar.
