**REV. GUS BIAR  
TO NASHVILLE**

Rev. Gus Biar, son of Mr. and Mrs. Herman Biar of Giddings has accepted the call to a field in Nashville to which city he and family will move next week. Rev. Biar was sent to Waco as his first charge after being graduated from the seminary 25 years ago and he went to a mission point in Waco where there were only seven members. The congregation now numbers 350 members with a substantial house of worship near the Cotton Palace grounds. His new field in Nashville will be a small congregation for the present, but he says he likes to build up from a small start.
