Residence Purchased

Mr. C. C. Bobo has purchased the new residence of Otto Schubert's near the school building. Mr. Bobo does not know when he will get to move into his newly acquired home, for the place is rented to the present occupant until next September, while Mr. Bobo has rented where he now is until next July. Mr. Hielscher, however, will be glad to relieve Mr. Bobo at any time of the place where Mr. Bobo is now living, even if he has rented where he (Mr. Hielscher) is now living until January, 1925. Some Giddings folks are strong on long time rentals.
