

Highway P. O., Inaugural Run, Due Here Friday

Mrs. Maggie Bobo, Giddings Postmaster, reminds residents of this area of the invitation to inspect the new Highway Post Office equipment when it arrives in Giddings this Friday on its inaugural run between Waco and Yoakum.

The new bus-like vehicles will arrive here at 12:30 p. m. Dec. 15. Officials of the Post Office Department and Postal Transportation and Postmasters along the route will be guests of the Giddings Chamber of Commerce at a luncheon.

Following the luncheon the HPO will be at the Court House where the public may inspect the equipment and a short dedication program will be presented.
