March 10, 1922

Theodore Marburger of Marlin has been in Giddings the past several days. He has purchased the John Bohot 200 acre tract of land below Giddings and will improve it. He likes the outlook for Giddings and vicinity and is thinking of locating in Giddings and opening a land agency. He says that this section is the best place in the world for a man with limited capital to make a start. The News welcomes Mr. Marburger to our midst and trusts that he will find it to his advantage to locate in Giddings.
