**FORMER RESIDENT  
VISITS HERE**

George Krauter of Wheatland, Okla., walked into the News office Thursday afternoon of last week. He had come over with his brother-in-law Ed. Burgdof of Paige whom he is visiting. George is in the lumber and fuel business and says he is getting along alright, but has a fond longing for Giddings where he was in business some twenty five years ago. He keeps up with the happenings through the Giddings News.
