**HOUSEHOLD GOODS
LOST IN TRUCK FIRE**

Dr. R. B. Burns and family while moving back to Giddings and having all their household goods transported in a large moving van, early Saturday a. m. of last week, fire broke out in the rear end of the load. The driver first noticed the blaze in what was possibly a roll of linoleum while a short distance east of Hempstead. He was by himself and was not able to prevent the van and the entire load from burning.
