

The Giddings News

March 20, 1931

The many friends of Harry Burr will be glad to learn that he has formed an association with a prominent Houston physician for the practice of medicine in that city. Harry has recently graduated from the Rush Medical College, Chicago, and when it comes to grit and determination, he has all that and some to spare. He is another of the boys from Giddings to join the large number of prominent ex-Giddingsites in Houston.
