

THREE INJURED IN AUTO WRECK

Mrs. Carl Zoch of Pt. Arthur sustained a broken leg and broken arm in an auto wreck in Elgin Sunday morning, while Mr. and Mrs. Curtis Zoch were returning to Austin.

Mrs. Curtis Zoch's foot was injured and Curtis suffered bruises while Mrs. Chester Pfeiffer and son Billy Darter, who accompanied them to Austin, were not injured, although Billy was thrown through the windshield. A football helmet, which he had received for Christmas and which he was wearing at the time, saved him. The helmet was all cut up by the glass.

The collision was caused by a negro driving on the highway from a side street.
