Auto Wreck

Tuesday, the one o'clock passenger train on the H. & T. C. railroad hit the auto driven by Rev. C. Durow of Loebau at the crossing near Mr. G. E. Kelly's residence. Rev. Durow and his 13-year-old son Martin were on the front seat while Alfred, age 11, was on the rear seat. Alfred jumped and was not hurt, but Martin received a deep gash on one side of his nose and some injury in his mouth. Rev. Durow received some bruises on his hip. The auto was overturned pinning Rev. Durow and the boy, and they soon released themselves from the wreckage when some passersby lifted the auto up.
