**MISS DYBALA GRADUATES**

Miss Lydia Dybala of Giddings who has been employed in the M-K-T Hospital in Parsons, Kansas for the past ten years, was graduated last month from Mercy Hospital, Independence, Kansas as a registered nurse. She will continue her work in Kansas and her friends in Giddings will be glad to know of her success. She says it was a hard climb because she was not a high school graduate, but by hard work and saving she was able to complete the course. Congratulations.
