AUTOMOBILES COLLIDE

Two automobiles, one driven by Mrs. Alvin Schatte and the other by H. L. Eicke, collided in the street between the Presbyterian church and the court house Sunday morning at 11 o'clock. Two little girls were with Mrs. Schatte in her car and one of them was thrown out of the car on the gravel street and her face was scratched considerably and she received a few cuts. The windshield of that car was also broken partly out. Each automobile had a fender mashed in.
