Mr. C. M. Bishop:

Dear Sir:

I came here about 4 months ago, and before I came up here I lived in Paige. It makes me feel more like at home when I can read a newspaper and know some of the people.

I'm working in a defense plant and making \$275 a month and am buying all the defense bonds and stamps I can. I am not yet old enough to be drafted but I'm trying to do my share at home.

Olen Eisenbeck.
