Dr. Childress and Prof. Ehlerl played in the golf tournament at Somerville last week and were among the high men. The lowest score was by Fred Ruland, Breunham, who is one of the champions in this part of the state. His score was 171 for 36 holes. Ehlerl's score was 176, and Dr. Childress' was 181. Ehlerl's driving for distance was the feature of the game and had his iron shots been as good as his drives, he would have beaten Ruland. Ehlerl made one drive of 280 yards.
