Change of Business

In this issue of the News there appears the announcement of the Peter Company who will give the public from time to time information as to the purchase of eggs, produce, and such. Mr. M. N. Peter is in charge of the company, as Mr. R. A. Falke has re-engaged in the mercantile business. Mr. Peter is quite anxious to get some egg circle associations in operation so that the people of this section can take advantage of the better prices which are offered for guaranteed eggs.
