MILLINERY CHANGES HANDS

Mrs. Bert Fariss, who has been conducting the Millinery Store in the York building sold out her interest in the business last week to Mrs. Gertrude Bishop, who will continue the business in the Luecke building across the street in front of the Airdome. The Luecke building is now being renovated and soon be ready for occupancy. Mrs. Bishop will leave for Dallas in a few days to spend several days selecting a spring line of hats and hopes to be ready for the usual spring opening.
