**U. S. O.**

The U. S. O. is an organization for National Defense and has its part in the present emergency to provide recreational and welfare activities for those in training camps and the women employed in defense work.

The 10th Congressional District has been allotted \$15,000. The allotment for Lee County has not yet been received but is expected shortly. J. R. Folkes has been appointed chairman and his committee will soon begin canvassing the public for funds.
