

LOCOMOTIVE HITS CAR—The locomotive of a Southern Pacific train caused the damage to this 1950 Chevrolet last Saturday night at the Burleson Street crossing near the depot in Giddings. Eugene Friebe, 26, son of Mrs. Herman Friebe of the Pin Oak community, driver of the car, was not hurt when the slow-moving engine dragged the car some 60 feet up the track. Friebe told officers he had failed to see the engine. He was charged with not having an operator's license and reckless driving.
