Mr. and Mrs. Green Garner and son, Emzy, who have been residents of Lee County for many years, departed Wednesday for Snyder, Texas, their future home. Mrs. Garner and son, accompanied by Willie Green McKeown, left via auto to make the trip, Mr. Garner went with the car loaded with their household goods and cattle. Mr. Garner only a few months ago sold his farm, the old Dunlavyp place, on Nails Creek, and since then has been looking around for a location and finally decided on Snyder. While their many friends regret to see them leave, they wish them all success and happiness in their new home, and extend a cordial welcome to return at any time, either to again make their home or for a visit.
