The Giddings News

August 21, 1914

A. E. Gerlach was in our city this week from Kerryille on his home at Livingston. Mr. Gerlach was making the trip in his Overlandscar. and found the roads pretty bad between Smithville and hure, at places the axle.would drag the ground. He is an old student of Austin College (Sherman) where he made quite a record in base, and foot ball. He remained over here a short while with W. E. Williams, Jr., who is also a student of the same school, and has made some record, also in base ball.
