

Three Hurt in Two Accidents

A 1950 Mercury, driven by Milton Green of Giddings, hit a bridge on Highway 290 east of town Sunday night, according to Charles Rost, deputy sheriff.

Earl Green who was riding with his brother, suffered injuries to the extent of a broken leg in two places. After receiving medical attention locally, he was transferred to Breckenridge Hospital in Austin.

Mr. Rost asserted that damages to the car were extensive.

Another wreck occurred Monday night six miles north of Giddings on Highway 77, when a 1951 Ford driven by Charles Williams of Oklahoma City, Okla., hit a tree when Williams fell asleep while driving.

According to Deputy Rost the car was a total loss.

Williams and his companion, Johnie Brooks of Allen, Okla., were both hospitalized in Lee memorial Hospital. Williams suffered a fractured arm and Brooks a broken leg, Mr. Rost explained.

Williams and Brooks were headed for Corpus Christi.
