California Visitors Here

Mr. and Mrs. Gruel, nee Elea-nore Kollmann, (niece of Mr. L. O. Kasper) and their four children two boys and two girls of California visited in the H. P. Weiser home briefly Wednesday. Mrs. Gruel attended St. Paul's Lutheran Day School and the Giddings High School, having made her home then with her uncle and aunt Mr. and Mrs. L. O. Kasper. No doubt many of her old school chums will be glad to read this and know that she is getting along well. Mr. Gruel is a brother of The Rev. Adolf Gruel, husband of the former Ethel Fischer and a former Missionary to South America, but is now stationed in the Rio Grande Valley. That was the reason for the visit of the Gruels. While motoring through she also visited in Houston with the L. O. Kaspers, in Winchester with the C. T. Kaspers, and from here on to Austin and San Antonio on their return.
