**AUSTIN BOY CYCLIST
BREAKS ARM AND LEG**

Frank, 12-year-old son of Dr. P. L. Guffin of 2407 Rio Grande street, suffered a broken left leg Thursday afternoon about 4 o'clock when he fell while riding a bicycle at Nineteenth & Nueces.

He was taken to the Austin P. & S. Hospital, where he was resting as well as could be expected Thursday morning.

According to the boy's story, he was riding rapidly down 19th street on his bicycle when a string "tail" caught in the rear wheel, stopping the bicycle and throwing him headlong into a hitching post and the curb.

Dr. Gates was with him in a few minutes after the accident and dressed his wounds. He said the leg was a serious break but Friday morning his condition was very encouraging.
