**COMMISSIONER
A. H. HANNES ANNOUNCES
FOR RE-ELECTION**

I take this means in announcing for re-election to the office of County Commissioner of Precinct No. 4 Lee County, subject to the action of the Democratic Primary election to be held in July.

In announcing, I want to say that I am very grateful to the voters of Precinct 4 for their loyal support given me in the past, and only if I have been worthy can I expect your continued support.

I have tried to be fair to all regardless in what part of the precinct. If I have failed I am sorry. I have never believed in wild spending, have always tried to make your tax dollars go as far as possible. After quite an outlay of cash in 1941 for the purchase of some necessary equipment for the building and maintenance of our roads, I can still say with pride that our precinct is in good shape.

I realize that the rationing by the Federal Government of automobiles and tires will eventually reduce the automobile license registration which will mean less money for the road and bridge funds. I, being familiar with the needs of the precinct and knowing when and how to cut corners, am sure that if re-elected can keep 'em rolling.

Your votes and influence will be very much appreciated.

Yours very truly,

A. H. HANNES

Dime Box, Texas.
