**INJURY IN SPEED WRECK**

Henry Harms, Jr., was injured Wednesday afternoon when the automobile in which he was riding turned over three times on the street in front of J. W. Tate's residence. He was injured about the head where he received a large bruise and some cuts. He is resting well and no serious injuries are anticipated. He was racing with Carlie Bohot who was in another automobile, and Henry's car blew out two tires and turned over three times, landing in a pile of gravel on its wheels. It came near hitting Mrs. Tate's car which was parked in front of the house.
