

## SCHMIDT, HARRISON TAKE BAND ON BOOSTER TRIP TO NEARBY TOWNS

On the morning of October 10, the band members and their director Mr. Schmidt, gathered at the band hall. Everyone was eager to get started on the booster trip for the Lee County Fair.

After everyone found a place on the bus, they were off. The first stop was in La Grange. The band played several marches and a few jazz numbers.

Mr. Harrison, who accompanied the band, announced the numbers and gave information about the fair.

The next stop was Smithville. Here the band assembled on a local business street. When the band had finished their numbers they were dismissed for a short break.

Some more riding and the bus rolled into Eastrop. By now everyone was just a little tired, but managed to get their horns out for some more music.

The last stop was Elgin. The band gathered on a downtown corner and rendered more music. This time the horns were put up hastily. It was time to eat. Slowly, but surely, everyone got something to

eat and returned to the bus. Mr. Schmidt even did a bit of shopping. Someone should ask him to wear his new shirt to school.

At last the bus was loaded and rolled toward home. This time the bus was more peaceful. When the bus stopped at the band hall everyone piled out. It was a long day, but all enjoyed the trip.
