**HAUSLER ELECTED
SECRETARY OF GOLF**

Lee Hausler was elected secretary of the Giddings Golf Club in the place of L. W. Neumann who has moved to Austin. Mr. Hausler is an enthusiastic golfer, has played several years and has several stunts in his golf bag. He promises some new features of golf tournament in the near future. The Giddings golfers are all pepped up after having such a good time at Bastrop recently, so they are putting the greens and fairways in excellent condition so that Giddings can strut her stuff when her neighbors come over to play golf.
