J. A. HILLIARD ANNOUNCES

To the People of Lee County:

In announcing for Sheriff, I wish to say that I have been solicited to make the race, and feel that I am competent to fill the office. I have been living in Lee County since I was 11 years old, and have served as Commissioner of Precinct 4 for the past 12 years. If elected, I shall do my best to serve the people in every way.

I feel that the public knows me sufficiently to understand my way of serving the public, and I promise to continue such service if elected your Sheriff.

Thanking you for any and all favors, I am,

J. A. Hilliard.
Lexington, Texas.
