**THE BIGGEST EATER**  
**In This County**

Does not complain of the high cost of living.  
He buys his groceries from us, where every  
article has real worth and lasting qualities.  
A dollar's worth of "quality" groceries will  
last as long as \$1.50 worth of imitations or  
"just as goods."

Don't buy a "just as good." Get the real  
thing. It is less expense in the end, and sa-  
tisfies your appetite, likewise your po-  
cketbook.
