**Change Residence After Many
Years**

Mr. C. B. Hosea and Mrs. Hosea were in Giddings a few days the past week end making final preparations to move to Houston. Mr. Hosea has lived near and in Giddings the past forty-eight years and he says that it is with reluctance that he leaves his many friends, but he is moving to seek employment. Giddings will miss one of its staunch citizens, and his many friends here wish Mr. Hosea and family the best of success in his new location.
