

***The Giddings News***

April 1, 1932

Lee Hausler visited J. E. Huettig Tuesday who is in the hospital in Brenham where he will be for the next four weeks. Some ribs were broken and one finger bruised in addition to both bones at one ankle being broken when Mr. Huettig was hit by his automobile recently. He was suffering considerably as he was bandaged up very much. His friends in Giddings wish for him a speedy recovery.
