HAS A REASON

Herbert Jacob of Ledbetter, thrifty Lee County farmer on Cedar Creek, has bought a new hat. He has a reason for being proud.

Herbert went to West Texas two years ago, paid \$300 for a registered male and brought it to his farm. Last year the former owner of the animal offered Herbert \$500 for the same.

A few weeks ago the same former owner offered \$1,000.00 cash and would come and get the animal. Herbert refused and says that the prices he is receiving for the thoroughbred heifers sired by the male, he will be amply repaid in a short time, with good luck. He was thinking about taking out insurance on the animal but when quoted the rate of \$200.00 he decided to wait awhile.
