**LIQUOR JOINTS
ORDERED CLOSED**

Sheriff Burttschell and County Attorney Story ordered two liquor joints in Giddings closed Monday morning. One of the joints operated by Herman Jank and located near the entrance to the former Schuetzen hall grounds, was the scene of a fight Saturday night when one man got his glass eye knocked out. This was the beginning of matter which ended in the order by the county officers. Jank paid a fine and costs amounting to over \$100.
