—O— (Pol. Adv.)

M. F. KIEKE ANNOUNCES

A number of people have been calling my attention to the fact that the Black Jacks are budding. I took the family riding Sunday afternoon and have satisfied myself that they are.

In announcing for re-election to the office of County Attorney, I want to assure my many and loyal friends throughout the County that I consider it a wonderful privilege and honor to have received your confidence. My only chance of repaying you is by doing my duty, with fairness to all and special privileges to none.

If re-elected, my promise to you is a continuation of honest, efficient and aggressive law enforcement.

Respectfully,

M. F. KIEKE.
