September 11, 1942

NEW BANK OFFICER

Walter Kasper was elected Cashier of the Citizens State Bank and Edwin Artmann as director Thursday. Walter began working as bookkeeper in the bank in 1929, was assistant cashier from Jan. 1930 and earned a deserved promotion through his courteous and efficient ability.

Edwin has tried many lines of business including gins, saw-mills, carpenter, highway and public construction and now that he has become a bank director this Editor expects Edwin to go to farming since prices are high. Edwin makes a success at everything he attempts except saltwater fishing. He probably used too much bait.

Elmo Kieschnick, son of Mr. and Mrs. Hm. Kieschnick of Lincoln, has become bookkeeper at the bank. He is a 1942 graduate of the Giddings high school and has been doing fine work as a 4-H club member. Much success to him.
