MANUFACTURERS' BANQUET

The manufacturers' association held its annual banquet Friday night of last week with about seventy persons present. A number of visitors from La Grange and Brenham came to enjoy the occasion, which was served with a splendid turkey dinner and other good things to eat. Bob Peter was elected president and John Knox treasurer for the ensuing year. After the meal and speechmaking, the crowd went to the Peter turkey dressing plant and watched the hundreds of persons busy preparing dressed turkeys for the northern markets.
