**TO THE VOTERS  
OF PRECINCT No. 1**

I am a candidate for the office of County Commissioner at the ensuing Democratic Primary. I have been successful in the management of my own affairs and feel qualified to manage the affairs of the county.

For twenty-two years I have farmed on my own farm. As an evidence of my success I will state that in 1926 I was awarded a \$100 Premium by The Austin American for the best improved farm in Lee and Fayette Counties.

I have been a tax-payer in Lee County for almost a quarter of a century and have had experience in county road work. For ten years, off and on, I served as road overseer under Commissioners Kappler and Kasper, and for more than two years have been employed to maintain with a tractor roads in Precinct No. 1. I have a mechanical turn and am familiar with machinery.

There are numerous candidates for this office to choose from. When you go to the polls on July 23 make up your mind whether you had better vote for a man who has made a success with his own affairs or one who has made no showing for himself.

If elected I shall try to conduct the affairs of Precinct No. 1 as successfully as I have my own.

Your vote and support will be appreciated.

Pol. Adv.) GUS KRIEDEL.
