GUS. KRIEDEL ANNOUNCES

To the Citizens of Precinct 1:

I have announced as a candidate for County Commissioner, Precinct 1 and will appreciate your support.

I am for better roads and favor building good roads over the entire precinct. I have been running a Lee County tractor for more than two years and understand road building. Being a practical farmer, I have also found time for improved methods on the farm. If elected, I assure you that I will do my best to give satisfaction in the affairs of the precinct and the business of the county.

Thanking you, I am,

Gus. Kriegel,
Route 1, Giddings.
