FIRST BALE OF COTTON

Frank Krupa of Dima Box marketed the first bale of new cotton in Giddings late Friday afternoon, August 7. He received the \$25 cash premium. The bale classed as middling and brought 7 1-2c. weighing 511 lbs. Frank says his crop will be as good as that of last year when he gathered 13 bales off of 28 acres. He did not market the first bale of cotton last year, but the first bale he sold brought 10 1-2c. The bale last week was sold the day before the break in the cotton price. Had he been a day later, middling cotton would have been worth 5.85.
