**AFTER LIVING IN GIDDINGS 43  
YEARS DEPARTS FOR NEW  
HOME IN SAN DIEGO, CAL**

Tuesday night, Mr. Gus Lehmann, after residing in Giddings for 43 years, departed for San Diego, Cal., his future home. Mrs. Lehmann and children is remembered leaving for California last summer to make their home and Mr. Lehmann remained behind to straighten up some business matters before he left. Mr. and Mrs. Lehmann were among the old landmarks of Giddings where they raised a family of several children, some who preceded their parents to California and Mrs. Lehmann having relatives there is somewhat the cause of their leaving Giddings to make their home in the distant state after so long a time a resident of this place. They have a nice home and other property here which they still hold and have it rented, and as Mr. Lehmann stated Monday afternoon when he called at the News office to have the News follow him to his new address, it was with regret that he realized he was leaving his many friends, and he would ever hold a warm spot in his heart for Giddings and the many good people of his place he has known so long.

Their many friends wish them all success and happiness in their new home.
