**GIDDINGS BETTER OFF**

A. E. Liepke, wife and little son of Port Arthur visited her mother Mrs. Ger. Moerbe this week. They remarked that conditions in Giddings are far better than with them because so many men are out of work and when it comes to paying house rent, buying your drinking water and other necessities, it is hard. The Red Cross has been the only means of many families getting along, without which there would have been actual hunger.
