**ERNEST MAASS
ANNOUNCES**

To the Citizens of Prec. 2:

I have announced for County Commissioner, Precinct 2, Lee County and wish to say that, as a son of Mr. and Mrs. Emil Maass, I was born in the Good Hope Community 43 years ago, received my education there and have lived there since. I have devoted my time to farming, stock raising and dealing in cattle. I always voted for good roads and supported good schools.

I believe in keeping my home county up to the best, consistent with low cost, so that taxes will not be a burden to land owners and farmers. I believe in saving expenses to the county; favor keeping the roads in good condition.

I shall make an active campaign for the office and will appreciate the support and influence of every man and woman in Precinct 2. If elected, I promise to devote my best efforts and time to the interests not only of Precinct 2, but of all the county as far as my duties reach.

Thanking you, I am,
Ernest Maass.
