**W. E. MARBURGER
ANNOUNCES**

To the People of Lee County:

The winning of the war is now the chief concern of the American people and to do so each of us have added duties to perform. Those who labor in an official capacity, must be on the alert in order to handle the extra work, made necessary by the war program, promptly and efficiently.

For several years past you have honored me by electing me your County Clerk. I have served you to the best of my ability. You are the judge as to whether my services have been in a business like manner and to your satisfaction.

I believe the experience I have had in the County Clerk's office will enable me to serve you better in the future than in the past, and as I am very much interested in the work coming under the requirements of the office, I am again asking the privilege to continue to serve you as your County Clerk. If you should see fit to retain me in this position; I will do my utmost to serve you commensurate with my experience and ability.

I assure you of my appreciation of your vote and support.

Very sincerely,
W. E. MARBURGER.
