YOU CAN HELP HIM WALK AGAIN—A Lee County youngster, Arvis Dale Markwardt, 4, only child of Mr. and Mrs. Harold F. Markwardt of Dime Box, lies in Brackenridge Hospital in Austin under treatment for poliomyelitis. Arvis Dale was stricken with polio on Oct. 26, 1949. The above photo was taken on Christmas Eve in his room at Brackenridge Hospital. Your contributions in the form of dimes and dollars in the forthcoming March of Dimes fund drive can help Arvis Dale regain the use of his limbs and body. Give generously!
