Boy Injured

Isaac, the ten-year old son of Mr. and Mrs. R. W. Mayfield of this place, was injured in Georgetown Thursday when he was struck by an automobile. Mr. and Mrs. Mayfield had motored to Georgetown and had stopped at a garage when Isaac attempted to run across the street to a cold drink stand. He had been accustomed to autos being parked in the center of the street as they are parked in Giddings and accordingly looked in the wrong direction as he passed out of the line of autos parked at the curb.

A physician of Georgetown came driving by at a pretty good clip and struck the boy, breaking a bone in the forearm, bruising him in the hip and the foot. Immediate attention was given by the physician and the boy was brought back to Giddings the same day. He is steadily improving.
